

# ISO Tariff – Appendix A System Access Service Agreement Proforma for Rate DOS, Demand Opportunity Service

A **market participant** applying for pre-qualification for demand opportunity service should review the terms and conditions of such service contained in the **ISO tariff** and any other related information documents that appear on the **ISO's** website from time to time.

This application, if approved by the **ISO**, sets the parameters for a **market participant's** demand opportunity service transaction requests throughout the 12 months following such approval. Pre-qualification does not obligate the **ISO** to approve, or the **market participant** to request, any demand opportunity service. A non-refundable fee of \$5000.00 is payable with this application.

Unless otherwise defined in this application, bolded terms, not including headings, used in this application have the meanings given to them in the *Consolidated Authoritative Document Glossary*. Capitalized terms have the meanings given to them in the preamble or body of this application.

### Undertaking

The **market participant** undertakes to notify the **ISO** upon the occurrence of a financial, operational, and/or technical change, where such changes materially impacts the assumptions contained within the attached business case (“Schedule B”). Failure to provide such information to the **ISO** in a timely and comprehensive manner may result in the **ISO** auditing and/or reassessing the eligibility of the **market participant** to be pre-qualified for the use of demand opportunity service. Further, the **market participant** undertakes that the use of demand opportunity service contemplated in the business case will not be modified.
