Re: **Notice of Stakeholder Consultation Session on the Development of the Proposed New and Amended Communication ISO Rules and Reliability Standards**

Further to the *Save the Date for Stakeholder Consultation Session on the Development of the Proposed New and Amended Communication ISO Rules and Reliability Standards*, this invitation provides additional details regarding the proposed new and amended communication ISO rules and reliability standards.

Purpose

The purpose of the Stakeholder consultation session is to review and discuss the following proposed new and amended ISO rules and reliability standards:

- 1) Proposed amendments to Section 502.4 of the ISO rules, *Automated Dispatch and Messaging System and Voice Communication System Requirements* ("Section 502.4");
- 2) Proposed new Section 502.17 of the ISO rules, *Voice Communication System Requirements* ("Section 502.17");
- 3) Proposed new reliability standard COM-001-3, *Communications* ("COM-001-AB-3"); and
- 4) Proposed new reliability standard COM-002-AB-4, *Operating Personnel Communication Protocols* ("COM-002-AB-4"),

collectively referred to as the ("communication ISO rules and reliability standards").

This session will give Stakeholders an opportunity to ask questions and give feedback on the AESO's revised approach to the proposed new communication ISO rules and reliability standards.

In addition, during the session, the presenters will give a brief update on the proposed amended Section 502.4 and review each subsection of the proposed new Section 502.17 and COM-001-AB-3, allowing time for feedback and discussion.

Stakeholder Consultation Session Details

The Stakeholder consultation session will be a virtual session using Zoom. The AESO would like to provide Stakeholders with information for the Stakeholder consultation session as follows:
