

ISO Rules

Part 200 Markets

Division 201 General

Section 201.10 Capacity Market Participant Registration

External Consultation Draft

August 3, 2018

Applicability

- 1 Section 201.10 applies to:
 - (a) a **person** with an asset that the **ISO** has qualified pursuant to Section 201.10 of the **ISO rules**, *Qualification of Capacity*;
 - (b) a **pool participant** with a **generating unit, aggregated generating facility or energy storage facility** an **maximum capability** equal to or greater than 1 MW, unless such **generating unit, aggregated generating facility or energy storage facility** is the subject of a renewable electricity support agreement in connection with rounds 1, 2 or 3 of the Renewable Electricity Program;
 - (c) a **capacity market participant**; and
 - (d) the **ISO**.

Requirements

Capacity Market Participant

- 2 Each **person** or **pool participant** must register a **capacity market participant** in the manner the **ISO** specifies.

ISO Requirement to Maintain Lists

- 3 The **ISO** must maintain and make available on the AESO website, one or more lists containing up to date information on the **capacity market participant**, any **agents** and associated assets.

Capacity Market Participant Updates

- 4 A **capacity market participant** must, if it is on the **ISO's** list, provide updated information, as soon as practicable, regarding its **capacity market participant** registration, its **agents** and any asset listed opposite the **capacity market participant** on the **ISO's** list.

Termination of Capacity Market Participant

- 5 The **ISO** may terminate a **capacity market participant** registration if the **capacity market participant** retires all assets listed opposite the **capacity market participant** on the **ISO** list.

Liability of Capacity Market Participant

- 6 A **capacity market participant** that is or may become liable under the **ISO rules** in connection with its activities as a **capacity market participant** remains liable after the date of retirement of its associated asset and despite ceasing to be a **capacity market participant**.
