Re: **Additional Stakeholder Comments on Letter of Notice – Proposed New and Amended ISO Rules and Terms and Definitions for the Implementation of the Capacity Market (“Capacity Market Rules and Definitions”)**

Written comments received in response to the Alberta Electric System Operator’s (“AESO”) October 22, 2018 [Letter of Notice](#) were erroneously omitted from the November 21, 2018 Stakeholder Comment letter due to an administrative error. These comments have now been posted on the AESO website.

Please note that these comments were included in the AESO reply matrices that were posted to the AESO website on November 29, 2018.

The following is hyperlinked to provide assistance in directing market participants to these written comments.
