Re: **Invitation to the Stakeholder Consultation Session on the Development of the Proposed New Section 502.10 of the ISO Rules – Revenue Metering Technical and Operation Requirements (“Section 502.10”)**

Further to the *Save the Date for Stakeholder Consultation Session on the Development of the Proposed New Section 502.10 of the ISO Rules – Revenue Metering Technical and Operation Requirements* posted October 17, 2019, this invitation provides additional details regarding the December 11, 2019 Stakeholder consultation session, including the RSVP deadline.

Purpose

The purpose of the Stakeholder consultation session is to review and discuss the initial draft of proposed new Section 502.10, which has been posted on the AESO website. This session will give Stakeholders an opportunity to ask questions and give feedback on the proposed new Section 502.10, including feedback regarding the information required in subsections 7.2(b) through 7.2(j) of Alberta Utilities Commission Rule 017, *Procedures and Process for Development of ISO Rules and Filing of ISO Rules with the Alberta Utilities Commission*.

During the session, the presenters will review each subsection of proposed new Section 502.10, allowing time for feedback and discussion.
