Re: **Invitation to Participate in AESO Technical Work Group Session Regarding Draft Proposed New Alberta Reliability Standard PRC-005-AB-6**, *Protection System, Automatic Reclosing, and Sudden Pressure Relaying Maintenance*

On June 21, 2017, the AESO is hosting a technical work group session to review and discuss the content of proposed new Alberta Reliability Standard PRC-005-AB-6, *Protection System, Automatic Reclosing and Sudden Pressure Relaying Maintenance* ("PRC-005-AB-6"). Please note that the main topic of discussion at this meeting will be on the content of tables within proposed new PRC-005-AB-6. As such, the AESO recommends that the appropriate lead/principle protection specialist from each organization attend the technical work group session. A draft copy of proposed new PRC-005-AB-6 will be circulated to all registered participants prior to the technical work group session.

Accordingly, the AESO now invites market participants and other interested parties to attend the technical work group session, as follows:

Time:	9:00 am to Noon
Date:	Wednesday, June 21, 2017
Location:	Meeting Room 6006, 6th floor of the BP Centre located at 240 – 4th Ave SW Calgary, AB T2P 2H8
	Note that the glass doors on the 6th floor will be locked. Please knock and receptionist will unlock door.
RSVP:	To register, please provide names and titles of all participants that will be attending in person or by teleconference no later than 5:00 pm on June 16, 2017 to Brenda Hill at Brenda.Hill@aeso.ca.
	Due to space limitations, please limit your attendees to two representatives per company. As noted above, this invitation is targeted primarily to the lead/principle protection specialist from each organization.
Teleconference:	Toll-free dial-in number (Canada/US): 1-855-453-6957 Local dial-in number: 403-410-3051 Conference ID: 4366631

Yours truly,

Sunil Prahalad, P.Eng
Lead Engineer, System Restoration
