

## Applicability

- 1(1)** Rider L applies to **system access service** provided under:
- (a) Rate DTS, *Demand Transmission Service*; and
  - (b) Rate DOS, *Demand Opportunity Service*.
- (2)** Notwithstanding subsection 1(1) above, Rider L does not apply to **system access service** provided to:
- (a) the City of Medicine Hat; or
  - (b) BC Hydro at Fort Nelson, British Columbia.
- (3)** Rider L applies in all **settlement periods** from September 1, 2021 to December 31, 2021.

## Rider

- 2** The **ISO** must determine Rider L as a charge of:
- (a) \$0.43/MWh of **metered energy** during each of the **settlement periods** starting on September 1, 2021, October 1, 2021 and November 1, 2021; and
  - (b) \$0.35/MWh of **metered energy** during the **settlement period** starting on December 1, 2021,
- to collect deferred but unpaid amounts under section 11 of the *Utility Payment Deferral Program Act* and section 3 of the *Utility Payment Deferral Program Regulation*.

## Terms

- 3** The terms and conditions of the **ISO tariff** form part of this rider.
