Re: 2011 Recalculated Loss Factors – Updates to 2011 GSO

This letter supersedes our letter dated May 26, 2011 regarding "2011 Recalculated Loss Factors - Updates to 2011 GSO".

Supplementary to the June 16, 2011 communication regarding the 2011 Recalculated Loss Factors, the AESO is providing additional information regarding adjustments to the 2011 Generic Stacking Order (GSO). This GSO formed the basis for the recalculation of the 2011 loss factors.

The 2011 Generic Stacking Order (GSO) posted on September 13, 2010 has been updated as a result of the recalculated loss factors. The values for all the affected facilities are shown in Appendix A. The 2011 GSO posted on September 13, 2010 remains valid for all facilities with the exception of the facilities listed in Appendix A.

Yours truly,
