Re: Notice of Data Request

In response to a data request, the AESO is publishing the historical outage durations for particular circuits associated with specific project interconnections in the Fort McMurray region. There are no plans at this time to provide future updates to this information.

Please [click here](#) to view the data.

If you have any questions or comments, please contact Cam Bush at (403) 705-5204 or cam.bush@aesO.ca

Yours Truly,
