Re: **Hourly Load Data for Years 2005 to 2015**

In response to a data request, the AESO is providing the historical hourly Alberta internal load, system load, and metered load data from January 2005 to December 2015. At this time, there are no plans to provide future updates to this information.

The information contained in this document is for information purposes only, as it is known to contain certain data errors. As such, the AESO makes no warranties or representations as to the accuracy, completeness or fitness for any particular purpose with respect to the information contained herein, whether express or implied. As a result of the known data errors, the AESO expressly disclaims any liability for these errors or omissions. Consequently, any reliance placed on the information contained herein is at the user's sole risk.
