Re: **Workshop to identify potential improvements to the current intertie transfer capability limits posting process**

On July 21, 2015 the AESO invited market participants to an upcoming workshop to identify potential improvements to the current intertie transfer capability limits posting process.

The following scope for the workshop was based on stakeholder feedback:

- Understand the AESO's current intertie transfer capability limits posting process, its intent and limitations
- Gather stakeholder concerns related to the current process
- Gather stakeholder proposals to improve the intertie transfer capability limits posting process

The workshop will be held on **Tuesday, September 1, 2015** from **9:30 a.m. to noon** in **Suite 600, 240 – 4 Avenue SW**, in Calgary. Please inform Reception that you are a workshop attendee and they will direct you to conference room 6006. The following teleconference number will also be available for participants who wish to attend by phone.

Toll-free dial in number: (866) 835-7781 (Canada and U.S)
Conference code: 8499006649
